NEW
CEREC®
OMNICAM

How to turn your vision into reality

Henry Schein Minerva have teamed up with Sirona and organised a series of events at four locations throughout the UK, to give dentists full access to exciting new dental technology, locally to them.

You'll be able to get up close to advanced treatment centres such as the Sinius, test drive the new CEREC® Omnicam and learn about the stunning results available from 3D X-ray units such as the ORTHOPHOS XG 3D. All you've dreamed of in your surgery, available at your fingertips! You can also spend time networking with other dentists in a friendly environment with specialists on hand to provide guidance and support. Refreshments are also provided. So, simply choose a venue that best suits you and book your place today.

Topics and Learning Objectives

- Be among the first to experience the NEW CEREC® Omnicam in action
- Integrated 3D Imaging
- Instant and easy communication between practice and laboratory with CEREC® Connect
- Using CEREC® with CT Scanning for implants
- A practitioner's every day experience with CEREC®
- New integrated hygiene protocol in the latest treatment centres (all HTM 01-05 compliant)
